## **1/6/16: MyDigitalSSD Extends Warranties on BP5 and BP5e Solid State Drives**

**You asked for it, and we listened!**

MyDigitalSSD is proud to announce that all Bullet Proof 5 (BP5) and Bullet Proof 5 Eco (BP5e) series solid state drives, featuring the Phison S10 (PS3110-S10) controller, will now offer 3-year warranties on TLC flash and 5-year warranties for MLC flash based SSDs. This is an increase of 1 and 2 years of coverage respectively.

Products affected by these changes are as follows:

### 5-Year Warranty

[MyDigitalSSD Bullet Proof 5 \(BP5\) 80mm \(2280\) SATA III \(6G\) MLC M.2 NGFF SSDs](#)

Part numbers: MDM280-BP5-0128G, MDM280-BP5-0256G, MDM280-BP5-0512G

### 3-Year Warranty

[MyDigitalSSD Bullet Proof 5 Eco \(BP5e\) Slim 7 Series TLC 2.5" SATA III \(6G\) SSDs](#)

Part numbers: MDS7-BP5e-0256G, MDS7-BP5e-0512G, MDS7-BP5e-1T

Retroactively, MyDigitalSSD retailers will honor these extended warranties to all customers that have purchased a BP5 or BP5e drive regardless of what is written on existing product packaging.
